To whom it may concern,

Shane Grantham has been employed by the Fort Wayne Holly's Landing for 1½ years. He has worked in many different capacities (busboy, dishwasher, janitor, and maintenance) performing each well above average. Shane has always been willing to offer his time and energies when we find ourselves in a bind. This quality is especially important and very appreciated in the restaurant industry.

Shane is a hard worker and is able to keep himself busy, even when business is slow, which allows me to spend time with the operation of the restaurant itself.

Shane has a very pleasant personality and gets along well with his co-workers. From what I've observed over the last year working with Shane he has the ability and desire to excell in whatever field he chooses.

Sincerely,

Tom J. Boylan
Senior Ass't Manager
